

Summary of Benefits: Blue Edge Dental Flex

Blue Edge Dental Flex plan options provide you maximum flexibility. Benefits are paid at the same level for care received from any provider. The listed percentages represent the portion of the maximum allowable charge (MAC) for which the plan is responsible. Network providers agree to accept the MAC as payment in full and also agree to file your claims. **If you receive covered services from an out-of-network provider, the plan will apply the percentages shown to the MAC for covered services and you will be responsible for the difference, up to the provider's charge.** Standard deductibles, exclusions and limitations apply. Network dentists may elect to discount non-covered services and services above the annual maximum. Discounts vary by service and region and when agreed to by the provider; not permitted in all jurisdictions.
